

Township N^o 1 North, Range N^o VII East of Mer. (Mich. Ter.)

Scale 40 Ch. to an inch

I do certify that the above described Township was Surveyed by Joseph Wampler in order a former age (for the particulars of which see the explanatory letter accompanying these returns) and that this plat is a true copy from the Original on file in this Office. Surveyor General's Office, October 15th 1823.
